

H.C.E.A. Membership Application

The HCEA, a registered, non-profit organization founded in 1986, is dedicated to preserving the history of construction, surface mining, and dredging equipment. This history includes corporate archives, histories of product development and use, descriptive literature, technical data, photographs, movies, memorabilia and, of course, the machines themselves.

Membership includes a subscription to our quarterly magazine "Equipment Echoes".

Select the membership option that best suits you.

Please print your personal information and include your phone number and email so that we may contact you if we have trouble processing your order.
